

# FiberPRO™

## STEP ONE

**Concentrate 1:8**

### All Fabric Prespray and Traffic Lane Treatment

*This powerful pre-spray combines solvents and surfactants that unlock dirt and soil from carpet fibers so that they can be removed easily. Special deep penetrating solvents and super-wetting surfactants cut through heavy build-ups quickly. As a booster, this product can be added to improve the cleaning performance of spin bonnet shampoo, dry foam shampoo and extraction cleaners. It contains the powerful, deodorizing control of O<sub>3</sub>Z malodor counteractant to help eliminate odors. It also leaves the area being cleaned with a fresh, pleasant, just cleaned fragrance.*
